Medical Journal

ALPHABETICAL MEMBERSHIP LISTING AND ROSTER BY COUNTIES
Officers, Committees, Commissions and Boards

Price: \$15.00 (plus 4% N.C. Sales Tax). Extra copies may be obtained from North Carolina Medical Society,
Box 27167, 222 N. Person St., Raleigh, N.C. 27611. Telephone (919) 833-3836.

THE USE OF THIS ROSTER AS A MAILING LIST IS PROHIBITED EXCEPT BY SPECIFIC AUTHORITY.

Will an apple a day keep the doctor away?

Apple a day can't do it. Good nutrition is an important part of staying healthy, but even a well-balanced diet can't guarantee that an unexpected accident or sickness won't happen to you. You can help keep your financial picture healthy by planning ahead for a time when you may be disabled and your income is disrupted.

If you're a member of the South Carolina Medical Society, you are eligible to apply for Disability Income Protection for nonmember doctors. This plan can provide you with a regular monthly benefit when you need it—due to injury, or even on leave from your practice. You can use the benefit any way you choose—to buy groceries, make home or car payments or provide for your children's education.

If you're under the age of 65 and are active full time in our practice, contact your local Mutual of Omaha service representative and ask about the Disability Income Protection Plan. Your representative will make sure that you personally receive full details of coverage. Of course, there's no obligation.

YOU DESERVE THE BEST

When it comes to professional liability coverage in North Carolina, one company stands out as best — Medical Liability Mutual Insurance Company of North Carolina — your physician-owned company.

BEST BECAUSE:

We were the *only* company willing to provide coverage in North Carolina when *all* other competitors were refusing to renew any existing insureds or issue any new business during the malpractice crisis of 1975.

All policy decisions and guidance are provided by North Carolina physicians elected each year by you our policyholders to serve in your interest as our Board of Directors.

As a direct writer representing only you, MLMIC's overhead and administrative expenses consistently average less than 50% of competitions. This leaves more money out of each premium dollar to pay losses.

Rating experience is being compiled that provides competitive rates based on the actual experience of our North Carolina insureds.

FOR MANY OTHER REASONS WHY MLMIC IS BEST FOR YOU:

Can the policy be cancelled?

Once issued, your policy cannot be cancelled by the Company until age 70.

Can the Company refuse to renew my policy if I become ill, enter military service, or enter a more hazardous occupation?

No. The terms of the policy guarantee the renewal of your insurance to age 70, if premiums are paid when due.

What would happen if I were to become ill?

If you become totally and permanently disabled prior to age 60 and disability lasts 6 or more months, premiums are waived.

Do I have the right to convert my insurance?

Yes. You may convert your policy after being in force for 1 year, without evidence of insurability to any permanent form of insurance offered by the Company.

When will the insurance become effective?

When your application has been approved and premium paid. You will receive notice of the effective date.

Better.

Committee and Commission Appointments 1980-1981

NOTE: The Committees listed herein have been authorized by President Frank Sohmer, M.D., and/or as required under the *Constitution and Bylaws*. Particular note should be taken of the authorization of the HOUSE OF DELEGATES of a Commission form of organization activity and that all Committees, excepting COMMITTEE ON NOMINATIONS, COUNCIL ON REVIEW AND DEVELOPMENT, and MEDIATION COMMITTEE are segregated under the respective Commission in which the function of the Committee logically rests. This will tend to eliminate overlapping and duplication in activity programs and result in coordination of the work of the Society in a manner to lessen the work of the Delegates in the Annual Meeting of the HOUSE OF DELEGATES.

(Superior figures (e.g. 21) indicate the component County Society from which the member emanates, as in the Membership list of the ROSTER.)

How to drive a Rolls-Royce masterpiece of your own without owning one.

If you wish to enjoy the timeless pleasure of a new Rolls-Royce motor car, you don't necessarily have to purchase one.

For many sound business reasons, you may prefer to lease one.

The first month's payment and the small security deposit can help you free your capital for other purposes. The possible tax advantages inherent in your fixed monthly payments may help you conserve your cash flow. And the option to arrange either a closed-end or open-end lease for anywhere from one to seven years can help you control the extent of your lease and your investment.

Your financial advisor can help you determine the benefits of leasing a Rolls-Royce motor car. And because we are one of the select dealerships appointed by Rolls-Royce Motors, you can rely on us to arrange the lease that will suit your personal needs.

For that matter, we can arrange the option to turn your new lease on life into the purchase of a priceless asset: a Rolls-Royce masterpiece all your own.

The name "Rolls-Royce" and the mascot, badge and radiator grille are registered trademarks.

Can you have too much of a good thing?

Too much milk, many pediatricians warn, can fill a child up and consequently, can keep him from eating other foods he needs. Particularly, iron-rich foods.

And, of course, that's a major dietary concern.

But you can also have too little of a good thing. Especially, milk. Milk supplies more essential nutrients per calorie than most other foods.

A child between the ages of six months and six years, for example, can get at least three-fourths of his daily dietary allowance for calcium, riboflavin, vitamins D and B₁₂, phosphorus, and protein from just three glasses of milk. And milk is also a good source of vitamins A and B₆, as well as thiamin and niacin.

That's why the U.S.D.A., acting on the recommendation of the National Research Council—National Academy of Sciences, has established these guidelines for milk consumption:

Children up to 6 years

Two to three 8 oz. glasses per day.

Children 6 to 12 years

Three or more 8 oz. glasses per day.

Per cent of Recommended Daily Allowance contributed by three 8 oz. glasses of fortified milk.

	6 mos.—1 yr.	1 yr.—3 yrs.	3 yrs.—6 yrs.
Calcium	100%	100%	100%
Riboflavin	100	100	100
Vitamin B ₁₂	100	100	100
Protein	100	100	80
Phosphorus	100	85	85
Vitamin B ₆	76	51	34
Vitamin D	75	75	75
Niacin*	71	63	47
Thiamin	56	40	31
Vitamin A	46	46	37

Milk. Sometimes we forget all the good things it does.

Think Inc.

To incorporate or not to incorporate. Maybe that's one of the most important. After all, you've probably heard it a million opportunities. That is, you immediately enter into the liberal tax treatment available to corporations through a qualified pension or profit-sharing plan.

So perhaps the more thoughtful question is, *When to incorporate?* Perhaps you should want to hit the top.

New England Life writes more individualized plans and provides more corporate counseling. In fact, we were helping physicians in the next year to set up a three-employee complex financial problem long before the professional separation was decided. And our 30 years' experience in this field, together with the reputation among doctors, is a matter of record.

Furthermore, the plans they can offer you, with our professional advice, are pre-approved by the IRS and afford the kind of flexibility necessary to develop a program to meet your needs exactly.

For instance, you have freedom to determine plan contribution or benefit level. You can wait until retirement to pick your form of payment. And working with one of our associates, you can choose from a variety of vehicles to supplement our plan objective.

To incorporate or not to incorporate... think it out. And then if you do think about it,
